**Management** - Please write your views on the contact you have had with the management team and the relationship you have built with them :

Sports Coaching have been an excellent organisation to work alongside. They have been reliable and consistent. They cover their own absence on the rare occasions when Matt has been unable to attend and have always done so well. They involve the school in their QA visits to ensure provision quality remains high.

**School View** - Please leave any extra feedback you may have regarding the service you have received and the coach(es) you have had within your school etc.

.....Matt is a fabulous asset to us here at Haydn. He works independently, planning, preparing and assessing PE provision within the school. He works hard to complement our systems and use school protocols to enhance our provision. He provides a wide range of high quality PE across the age range. He works within and beyond curriculum time providing many opportunities. He works excellently with our most vulnerable students ensuring that all are included. His behaviour management is exemplary.

**Continuation of service** - Please indicate below if you are planning to continue with our service in the 2017-2018 academic year and details of what you require.
