Dear Andy

Re: Request for Testimonial, Sports Coaching Ltd. December 2009.

Sports Coaching Ltd provide a professional and reliable service while covering PPA at Sacred Heart Catholic Primary School, Sowerby Bridge. The Instructors are always well planned and prepare a range of age appropriate yet challenging activities for our pupils. The Instructors are enthusiastic yet calm and provide an 'After School Club' for both of our Key Stages, either preparing the activities themselves, or responding positively to requests made by Staff in school. The Instructors work flexibly, are very aware of the issues which are important in keeping children in a Primary context safe and provide high quality instruction over a range of PE/Sport's Activities.
